

Operation Safe Shield was established in July 2021 in response to the tragic death of Texas Trooper Chad Walker and the shooting of Texas Trooper Juan Tovar. Dr Clifford Dorn, founder of Backing the Badge BCS and Kristi Schiller, founder of K9s4Cops, started the non-profit to generate funding for bullet resistant windows for all of the seven counties in the Brazos Valley. With the support of the Backing the Badge founding committee, Operation Safe Shield became a reality. Our goal is to raise funding so that all law enforcement vehicles will be equipped with lifesaving bullet resistant windows. As of April 2023, Operation Safe Shield has ordered windows to equip 65 vehicles in the Brazos Valley. Our ultimate goal is to extend this initiative Statewide, and we just signed up Harris County with a branch called Operation Safe Shield Gulf Coast. With your support we can **“Protect Those Who Protect Us”**
